

Annual AHERA Notice

For School Year 2019-2020

All Parents, Teachers, and Staff Members,

In accordance with Federal Regulations, Specifically the Asbestos Hazardous Emergency Response Act (AHERA), each school within the district has had initial inspections performed to determine the presence and condition of Asbestos Containing Materials (ACM). Re-inspections have been performed every three years, along with biannual periodical surveillances of all Asbestos Containing Material.

A copy of this document is available for your review at the main office of each school, and the office of the Supervisor of Buildings and Grounds.
